Re: Case No. 10-14133 (AJG)

Dear Honorable Judge Gonzalez:

Please accept this letter as my objection to Jesup & Lamont, Inc.'s Application filed by Silverman Acampora LLP dated August 6, 2010. My Objection is based on the fact that their "Exhibit A" contains incorrect information. They are listing the amount of my unpaid commissions \$1008.82 when it is actually \$6996.82. If they update the information to be correct, I withdraw any objection.

Enclosed please find copies of my commission reports. This will clearly show the amount due to me if you need further documentation it can provide. For the record, I did attempt to correct this with Jesup & Lamont's attorneys prior to filing this objection, and they were unwilling to amend the Exhibit.

Sincerely,

Marlon Miles
